

Care Coordination Association Annual Art & Photographic Competition

Open to Mental Health and Learning Disability
Service Users and Carers

Our electronic journal 'The Approach' is produced on a quarterly basis and we are looking for four designs to use on the cover depicting either: **spring, summer, autumn** or **winter**. You can view previous winners on our website www.cpa.org.uk

Submitted work must be your original creation. This year we can only accept digital or scanned images which must be of a high resolution (in .jpg format only). We would prefer that your entries are sent electronically by email, but you can post your computerised, digital or scanned artwork to us on a disc or memory stick (we will not be able to return these). If submitting your entry by email the art must be sent as an attachment, not embedded in the email. You can send in more than one entry but each entry must be accompanied by a separate entry form.

The closing date for the competition is **Friday 8th April 2016**, winners will be notified by Friday 22nd April 2016. Winners will receive £30.00 of artist materials, a year's free subscription to 'The Approach' and a certificate. Highly commended entries will receive £10.00 of artist materials and a certificate, and along with the winners, see their work featured in the 'The Approach' and on the website. By entering this competition you consent to the Care Coordination Association using your name, and / or artwork in any publicity material.

We look forward to receiving your entries and wish you all the best.
